ERRATUM

A Discrete/Continuous Choice Approach to Residential Water Demand under Block Rate Pricing: Comment

Donald M. Waldman

We regret the error that appears in Donald M. Waldman's comment, "A Discrete/Continuous Choice Approach to Residential Water Demand under Block Rate Pricing: Comment," *Land Economics* 76 (2) May 2000. The error appears on page 323, the last line in the first column. This line is an explanation of one of the variables shown in equation [5], which appears before the explanation of the variables.

This line reads

$$a_k' = (a_k - \rho w_k)/\sqrt{1 - \rho^2}.$$

It should read as follows

$$a_k' = (a_k - \rho w_{k+1})/\sqrt{1 - \rho^2}.$$
