- Prompt publishing
- Guaranteed targeted, multidisciplinary audience
- High visibility for maximum global exposure

## Environment and Urbanization ASIA

Editor: **Debolina Kundu** *National Institute of Urban Affairs, New Delhi, India*

**Environment and Urbanization ASIA** journal aims at:

- Supporting the exchange of ideas, research outputs, intervention strategies and innovative solutions in the fields of urbanization, environment and human settlements across Asia
- Informing and initiating dialogue and debate among researchers, policy makers and civil society on various subjects relevant to urbanization and environment in Asia.

The themes and topics covered in the journal include governance, finance, land, infrastructure, housing, migration, sprawl, climate change, green growth, inclusion and sustainability, and the inter-relationships between these aspects of urbanization and environment.

**Environment and Urbanization ASIA** is Abstracted/Indexed in Bibliography of Asian Studies (BAS), DeepDyve, Dutch-KB, EBSCO, Indian Citation Index (ICI), International Bibliography of the Social Sciences, J-Gate, OCLC, Pro-Quest-RSP and Scopus
